A motion was made that the recommendations of the Joint Committee, as stated in the Minutes of the Joint Committee, be approved. The motion was adopted without objection. A copy of the Minutes of the Joint Committee Meeting shall be made a part of these Minutes and shall be attached hereto as Exhibit "H."

CURRENT BUSINESS

Administrative Rule 540-X-4-.09, Risk and Abuse Mitigation Strategies by Prescribing Physicians The Credentials Committee recommended that the Board rescind its previous action of December 14, 2016, wherein the Board voted to consider the public comments received pursuant to publication of Administrative Rule 540-X-4-.09 to be substantive; thereby, requiring a redraft and republication of the rule. The motion was adopted without objection.

The Credentials Committee recommended that Administrative Rule 540-X-4-.09, as amended by the Committee, be approved for final adoption. The motion was adopted without objection.

A motion was made that, upon implementation of Administrative Rule 540-X-4-.09, educational material, such as access to a Morphine Milligram Equivalency calculator, be provided on the Board's website, and that information concerning the treatment of acute pain, such as the statement issued by the Center for Disease Control which states, *Experts agree that when opioids are needed for acute pain, clinicians should prescribe opioids at the lowest effective dose and for no longer than the expected duration of pain severe enough to require opioids to minimize unintentional initiation of long-term opioid use.*, also be provided. The motion was adopted without objection.

Article, Healing Physicians The Credentials Committee recommended that this item be received as information. The motion was adopted without objection.

Executive Order Number 27 After consideration of Executive Order Number 27, issued by Governor Robert J. Bentley, creating the Alabama Council on Opioid Misuse and Addiction, the Credentials Committee recommended that Board Chairman Howard J. Falgout, M.D., accept the appointment to the Council, and that consideration be given to the appointment of Boyde J. Harrison, M.D., and David P. Herrick, M.D., to the Council as the Board's second appointee. The Committee recommended that an inquiry be made concerning the possibility of having a third Board appointment to the Council. The motion was adopted without objection.

FSMB Call for Comments - Guidelines for the Chronic Use of Opioid Analgesics The Credentials Committee recommended that this item be received as information. The motion was adopted without objection.

Oral Benzodiazepines A motion was made that it be proposed to the State Committee of Public Health that all oral benzodiazepines be rescheduled as Schedule II controlled substances. The motion was adopted with three votes in opposition to the motion.

Physician Monitoring Re: License and Renewal Applications Re: The Committee recommended that research be conducted concerning the necessity of applicants and licensees reporting on licensing and renewal applications that they are participating in a supervised rehabilitation program or professional assistance program. The Committee recommended that an ExecNet query be conducted to determine what, if any, information other states obtain concerning physician monitoring.

Physician Reentry Program After consideration of research conducted regarding the implementation of a program concerning physician reentry into the active practice of medicine, the Credentials Committee recommended that, in addition to other requirements, the proposal be further refined to require the completion of a reentry plan after an absence of 2 or more years from the active practice of medicine; to consider a protocol that is specialty and/or skill set specific; and to determine the method by which an evaluation to practice is to be conducted. The motion was adopted without objection.

The Opioid Crisis in Alabama: From Silos to Solutions A motion was made to approve George C. Smith, Jr., M.D., to represent, and speak for, the Alabama Board of Medical Examiners at the opioid summit scheduled for March 10, 2017. The motion was adopted without objection.

Timothy A. Stewart, M.D. - Resignation The Credentials Committee recommended that Dr. Stewart's resignation from the Board of Censors be received as information and that he be removed from the roster of the Alabama Board of Medical Examiners. The Committee recommended that Dr. Stewart be invited to a future meeting in order for the Board to recognize and honor his service on the Board. The motion was adopted without objection.

Universal Licensing Application The Credentials Committee recommended that research be conducted concerning the Universal Licensing Application. The motion was adopted without objection.
