The Board approved the Credentials Committee's recommendations as outlined in the April 15, 2020 Meeting Summary as follows.

**ALABAMA STATE BOARD OF MEDICAL EXAMINERS**  
**Credentials Committee Meeting**  
**Public Meeting**  
**Via Videoconference**  
**April 15, 2020**

**Meeting Summary**

The Credentials Committee of the Alabama State Board of Medical Examiners met via videoconference, April 15, 2020, to consider and make recommendations on items to be presented to the Board at its meeting April 16, 2020.

Access to the public portion of the meeting was provided via a conference call number included with the meeting notice on the Secretary of State's website.

The Credentials Committee recommended the following items for the Board's approval excluding any applicants set apart for consideration during the confidential portion of the meeting or deferred for further information or consideration:

- Full license applicants
- Limited License applicants
- Retired Senior Volunteer license applicants
- Special Purpose License applicants
- Physician Assistant and Anesthesiology Assistant applicants
- Physician Assistant/Physician registration applicants
- Physician Assistant applicants for skills requests, QACSCs and LPSPs
- Nurse Practitioner/Physician collaboration applicants, skills requests, QACSCs and LPSPs

The Credentials Committee made the following recommendations concerning new business brought before the Board:

Recommended deferral of amendments to protocols and Administrative Rules relating to physician assistants

Recommended that the Board issue an opinion concerning the Invisa-Red device

Recommended a rule be drafted concerning reciprocal licensing requirements concerning the Licensing Medical Council of Canada Examination.

Recommended approval of continuing medical education speakers and meeting delegates

Recommended delayed enforcement of the annual CME requirement
