EXECUTIVE DIRECTOR'S REPORT

Executive Director Sarah Moore reported on the following: 1) Ashley Hamlett, Director of Licensure, was introduced to the Board. 2) The agency's satellite office located at 3300 Cahaba Road, Birmingham, AL is now occupied by the Board's General Counsel E. Wilson Hunter and Associate General Counsel J. Matthew Hart. The office suite has four individual offices, a reception area, and a conference room that can be utilized by Board members and other staff to conduct Board business. A PowerPoint presentation was made showing the office location and layout. 3) Board members, who are not members of the Credentials Committee, will be called upon by Board investigators as expert reviewers from time to time to provide medical expertise to investigators. Mr. Randy Dixon, Deputy Chief Investigator, gave examples of what types of information will be solicited from the physicians to assist in directing interviews and the resulting investigations. Mr. Dixon then introduced the investigators who were present at the meeting.
