If you answer "Yes", then a description is required.

IMPORTANT: The Board recognizes that licensees encounter health conditions, including those involving mental health and substance use disorders, just as their patients and other health care providers do. The Board expects its licensees to address their health concerns and ensure patient safety. Options include anonymously self-referring to the Alabama Physician Health Program (335-954-2596), a physician advocacy organization dedicated to improving the health and wellness of medical professionals in a confidential manner. The failure to adequately address a health condition, where the licensee is unable to practice with reasonable skill and safety to patients, can result in the Board taking action against the license to practice as a Physician Assistant.

_____ Please initial certifying that you understand and acknowledge your duty as a licensee to address any such condition as stated above.

*The term "currently" does not mean on the day of, or even in the weeks or months preceding the completion of this application. Rather, it means recently enough so that the condition

referred to may have an ongoing impact on one's functioning as a CRNP/CNM within the past two years

F. Have you successfully completed the continuing medical education required by Board rules? (This must include documentation of successful completion of twelve (12) hours of Category I credits including "Prescribing Controlled Drugs: Critical Issues and Common Pitfalls," a Board-approved course that includes advanced pharmacology and prescribing trends relating to controlled substances. Starting with this 12-hour initial course, the CRNP/CNM must obtain (every two (2) years) four (4) AMA PRA Category 1 credits or equivalent through a board-approved course or courses that include advanced pharmacology and prescribing trends related to controlled substances.
