Agnes McKowen Collins, PA / J. W. Pitts, Jr., M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Kendi Pelot Kirby, PA / Marina Thompson, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Benjamin Aaron McKenzie, PA / Jason DeLeon, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Sally A. Morriss, PA / John Justin Caulfield, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Rick Otwell, PA / Jere Michael Disney, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Sherri Lynn Ross, PA / Ehtisham Khan, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Gregory Alan Sharp, PA / Steven Michael Sharp, M.D. The Credentials Committee
recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Glenn Dale Smith, PA / Minh Huynh, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Eric Walker, PA / Ashley Cochran Nichols, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Sherry Lynn Yoder, PA / Mona Lourdes S. Bernardo, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Angela Renee Burckhart, PA / Stephen Eugene Bowden, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-one on the P.A. formulary, oxytocics. The motion was adopted without objection.

Amanda Lynn Day, PA / Jeffery L. Walding, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number two and number twenty-three on the P.A. formulary, antineoplastic agents, and birth control drugs and devices. The motion was
adopted without objection.

Elizabeth Eisenbeiss, PA / Bernard H. Echold, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The Credentials Committee recommended approval of the request to train the P.A. to perform Nexplanon insertion and removal. The motion was adopted without objection.

Katherine Mader, PA / Jeffery L. Walding, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number two and number twenty-three on the P.A. formulary, antineoplastic agents, and birth control drugs and devices. The motion was adopted without objection.

John Manning, PA / Steven F. Johnson, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The Committee recommended, with standard language previously approved by the Board, approval of the request to train the P.A. to perform chest tube and pacing wire removal. The motion was adopted without objection.

Stacey Richerson, PA / Jason Morgan Richerson, M.D. The Credentials Committee recommended approval of the P.A. registration application with remote site privileges including, with standard language previously approved by the Board, number twenty-three
on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Scott Alan Southerland, PA / Charles Melbern Wilcox, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number two and number twenty-three on the P.A. formulary, antineoplastic agents and birth control drugs and devices. The Committee recommended that the request to train the P.A. to perform paracentesis be denied. The motion was adopted without objection.

Mary Kelsey Westerman, PA / Jan Hendrick Westerman, M.D. The Credentials Committee recommended approval of the P.A. registration application with remote site privileges including, with standard language previously approved by the Board, the request to train the P.A. to perform joint injections. The motion was adopted without objection.

P.A. QACSC Registration

Sherri L. Ross, PA / Deirdre Joiner-Nichols, M.D. The Credentials Committee recommended approval of the PA QACSC registration application. The motion was adopted without objection.

P.A. Miscellaneous Requests / Reports

Adam Bevis, PA / Ahmed Abdel Aal, M.D. / Edgar Underwood, M.D. - Request for permission to meet with the Board to discuss fluoroscopic practice The Credentials Committee recommended that consideration of this item be deferred, further research be
conducted and be presented at the July meeting. The motion was adopted without objection.

Adam Bevis, PA / Souheil Sadekki, M.D. - Request to allow PA to use fluoroscopy for guidance in Board approved IR procedures The Credentials Committee recommended that the request to allow the P.A. to use fluoroscopy for guidance in performing interventional radiologic procedures be deferred until the July meeting. The motion was adopted without objection.

Kenneth R. Dreibelbis, Jr., PA / Alan R. Shain, M.D. - Request to add Gordon Oaks Nursing Home to practice sites The Credentials Committee recommended approval of the additional practice site. The motion was adopted without objection.

Christian Holcomb, Jr. PA / Joseph Sherrill, M.D. - Request to add Birmingham Surgery Center as additional practice site The Credentials Committee recommended approval of the additional practice site. The motion was adopted without objection.

Katherine Mader, PA / Jon R. Ward, M.D. / Jeffery Lawrence Walding, M.D. - Request to allow PA to work at two remote sites The Credentials Committee recommended approval of the two remote practice site locations. The motion was adopted without objection.

Kim Moon, PA / Jonathan C. Merkle, M.D. - Request to increase registration hours from 16 to 40 The Credentials Committee recommended approval of the request to increase registration hours. The motion was adopted without objection.

Connie J. Vereen, PA / Alan R. Shain, M.D. / Donald B. Sanders, M.D. - Request to add
Gordon Oaks Nursing Home to practice sites The Credentials Committee recommended approval of the additional practice site. The motion was adopted without objection.

Kerry Whitaker, PA / Souheil Sadekkni, M.D. - - Request to allow PA to use fluoroscopy for guidance in Board approved IR procedures The Credentials Committee recommended that the request to allow the P.A. to use fluoroscopy for guidance in performing interventional radiologic procedures be deferred until the July meeting. The motion was adopted without objection.

APN Miscellaneous Requests / Reports

Daniel A. Beals, M.D. / Kimberly A. Thompson, CRNP - Request to train CRNP to perform ligation of polydactyly The Credentials Committee recommended that consideration of this item be deferred to request a letter of clarification regarding the performance of the procedure. The motion was adopted without objection.

Patrick L. Borsage, M.D. / Tammy J. Hardeman, CRNP - Request to train CRNP to perform chest tube / pleural cath removal The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform chest tube / pleural cath removal. The Committee recommended that the documentation of the CRNP having been trained to perform chest tube / pleural cath removal by another CRNP not be accepted, and that the physician be notified that documentation of physician supervised training must be submitted for approval. The motion was adopted without objection.

Peter M. Rao, M.D. / Paul W. Littlefield, CRNP - Request to train CRNP to monitor
exercise and pharmacologic stress testing. The Credentials Committee recommended approval of the documentation of the CRNP having been trained to perform monitored exercise and pharmacologic stress testing. The Committee recommended that Dr. Rao be sent a letter notifying him of the Board’s policy and expectation that the request to train a midlevel practitioner to perform any skill outside an approved midlevel practitioner protocol be approved by the Board prior to commencement of training. The motion was adopted without objection.

John E. Reardon, M.D. / Kristen T. Osborne, CRNP - Request for antineoplastic agents and heavy metals. The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer antineoplastic agents and intravenous iron products. The motion was adopted without objection.

Matthew L. Stoll, M.D. / Linda McAllister, CRNP - Request for antineoplastic agents. The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer antineoplastic agents. The motion was adopted without objection.

Kenneth Aldridge, M.D. / Mrinal Dhar, M.D. / Matthew Thom, M.D. / Howard Winfield, M.D. / Susan Windham, CRNP - Request to train CRNP to perform percutaneous tibial nerve stimulation. The Credentials Committee recommended approval of the request to train the CRNP to perform percutaneous tibial nerve stimulation. The motion was adopted without objection.
Gregory H. Borg, M.D. / Heather Little, CRNP - Request to train CRNP to perform fiber optic laryngoscopy The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform fiber optic laryngoscopy. The motion was adopted without objection.

Richard Hwang, M.D / Lauren Niemeyer, CRNP - Request to train CRNP to perform laser procedures The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform laser procedures. The motion was adopted without objection.

Shin Mineishi, M.D / Melinda Rodgers, CRNP - Request to train CRNP to perform additional skills and administer antineoplastic agents The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform bone marrow biopsy; punch biopsy; central venous line removal, percutaneous and tunneled; the administration of intrathecal chemotherapy via omaya reservoir; and the administration of antineoplastic agents. The motion was adopted without objection.

Gary N. Russell, M.D. / Adam Kinsaul, CRNP - Request to train CRNP to perform paraspinous muscle injections and trigger point injections above T-12 The Credentials Committee recommended that the request to train the CRNP to perform trigger point injections above T-12 be denied and that trigger point injections be approved only as stated in the standard language previously approved by the Board. The Committee recommended that the request to train the CRNP to perform paraspinous muscle injections above T-12
be denied. The motion was adopted without objection.

**Warren L. Strickland, M.D. / Vanessa Banes, CRNP - Request to train CRNP to perform GXT with medication** The Credentials Committee recommended approval of the request to train the CRNP to perform GXT with medication. The motion was adopted without objection.

**William R. Taylor, M.D. / Susannah M. Smith, CRNP - Request to train CRNP to perform additional skills and administer antineoplastic agents** The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform bone marrow aspiration and biopsy, iliac crest; intrathecal administration of chemotherapy; intracavitary administration of chemotherapy via omaya reservoir; and the administration of antineoplastic agents. The motion was adopted without objection.

**Grace A. Thomas, M.D. / Felicia Royster, CRNP - Request to train CRNP to perform Implanon and Nexplanon placement and removal** The Credentials Committee recommended approval of the request to train the CRNP to perform Implanon and Nexplanon placement and removal. The motion was adopted without objection.

**Collaborative Practice Registration**

The Credentials Committee recommended approval of collaborative practice registration applicants one through forty-eight. The motion was adopted without objection.

Collaborative Practice Covering Physician Applicants

Collaborative Practice Covering Physician Applicants The Credentials Committee recommended approval of collaborative practice covering physician applicants one through ninety-nine. The motion was adopted without objection. The list of collaborative practice covering physician applicants shall be made a part of these Minutes and shall be attached hereto as Exhibit “A.”

CURRENT BUSINESS

Andrew Sussman, M.D., M.B.A / CVS MinuteClinic The Credentials Committee recommended that the presentation by Dr. Sussman be received as information. Nancy J. Gagliano, M.D., Allen K. Horne, and Benjamin W. Patterson, Ph.D., appeared with Dr. Sussman. The motion was adopted without objection.

Administrative Rule 540-X-4-.07, Guidelines for the Use of Controlled Substances for the Treatment of Pain The Credentials Committee recommended that Administrative Rule 540-X-4-.07 be renamed Requirements for the Use of Controlled Substances for the Treatment of Pain, and that any reference to “guideline” be amended to “requirement.” The Credentials Committee recommended that the rule be further amended as directed by the
Committee and that the rule be brought back for consideration at the July meeting. The motion was adopted without objection.

Administrative Rule 540-X-7-.29 - Continuing Medical Education, PA / Administrative Rule 540-X-7-.62, Continuing Medical Education, AA The Credentials Committee recommended that Administrative Rules 540-X-7-.29 and 540-X-7-.62 be approved for final adoption. The motion was adopted without objection.

Administrative Rules Chapter 540-X-15, Telehealth The Credentials Committee recommended that the amendment submitted by the Alabama Department of Public Health be accepted and incorporated into the rule, and that the rule be further amended as directed by the Committee. The Committee recommended that each public comment received during the comment period be individually addressed and brought back for consideration at the July meeting. The motion was adopted without objection.

Administrative Rules Chapter 540-X-18, QACSC for CRNPs and CNMs The Credentials Committee recommended that, pursuant to Act 2013-223, the following appointments be made to the Advisory Committee on Administrative Rules Regarding QACSCs for CRNPs and CNMs: Joy Deupree, PhD, MSN, APRN-BC; D'Ann Somerall, DNP, CRNP; and Amy Wybenga, MSN, CRNP. The motion was adopted without objection.

The Committee recommended that consideration of the proposed rule be deferred to the full Board. After consideration of this item by the full Board, a motion was made to schedule a public hearing and to publish Administrative Rule Chapter 540-X-18, for public comment in the Administrative Monthly. The motion was adopted without objection.
Administrative Rules Chapter 540-X-19, Pain Management The Credentials Committee recommended that Administrative Rule Chapter 540-X-19 be amended as directed by the Committee and that it be brought back for consideration at the July meeting. The motion was adopted without objection.

Administrative Rulemaking Procedures / Legislative Reference Service The Credentials Committee recommended that the correspondence be received as information. The motion was adopted without objection.

FSMB - Liaison Program The Credentials Committee recommended that the correspondence be received as information. The motion was adopted without objection.

FSMB Nominations The Credentials Committee recommended that J. Daniel Gifford, M.D., be nominated for Chairman-Elect of the FSMB Board of Directors. The motion was adopted without objection.

Michael Reeves, M.D. - Physician Extender / Collaboration Concerns The Credentials Committee recommended that the correspondence be received as information. The motion was adopted without objection.

HEARINGS

ABME Hearing Schedule The Credentials Committee recommended that the ABME hearing schedule be received as information. The motion was adopted without objection.
