The motion was adopted.

Public Citizen’s Health Research Group - Ranking of the State Medical Boards’ Serious

Disciplinary Action The Credentials Committee recommended that this item be received as information. The motion was adopted.

Alabama Board of Nursing - Delegation of History and Physical After consideration of information from Alabama Board of Nursing, the Credentials Committee recommended that the Board amend, as follows, its opinion regarding delegation by a physician to an RN the physician's duty of obtaining a patient's history and physical. The motion was adopted.

Board Opinion: Regarding the Physician's Duty to Obtain a History and Physical, Delegation of History and Physical to RN The Credentials Committee recommended that the Board adopt the opinion that a physician may delegate to an RN the duty of assisting with obtaining a patient's medical history and vital signs; however, the physician is responsible for reviewing and completing the history and physical examination as part of the physician's responsibility to perform, document and authenticate a complete history and physical examination on a patient.

Continuing Medical Education After consideration of correspondence from the Medical Association of the State of Alabama, the Credentials Committee recommended that Administrative Rule 540-X-14 be amended to require physicians and PAs to annually obtain twenty-five hours of Category 1 continuing medical education without allowance for any prior year carry-over. The Committee further recommended that this amendment become effective January 1, 2010, as the requirement for renewal year 2011. The motion was adopted.
